You can order school books through Book Haven in Swords Village. Book Haven's Quick Code is an innovative way of making the online ordering of school books easy and accurate.

Book Haven provide the school with a specific code which takes the parent/student straight to their class booklist on www.bookhaven.ie, eliminating the need to search for books and ensuring that all the correct books and stationery are purchased.

Log on to www.bookhaven.ie and key in the following code **78035c for 5th Class** in the Quick Code List Number box on the home page. You may then select the books and stationery you require or simply click on "Add all available products to cart" and then un-tick the items you do not require.

Book Haven Swords hopes to open in June Swords and parents are welcome to either order online and use the shop as a collection point (thereby avoiding the online delivery charge) or, phone in an order for collection in the shop at a later date in the summer.
