1. Introduction

This Admission Policy complies with the requirements of the Education Act 1998, the Education (Admission to Schools) Act 2018 and the Equal Status Act 2000. In drafting this policy, the board of management of the school has consulted with school staff, the school patron and with parents of children attending the school.

The policy was approved by the school patron on 7th September 2020. It is published on the school's website and will be made available in hardcopy, on request, to any person who requests it.

The relevant dates and timelines for Holywell ETNS's admission process are set out in the school's Annual Admission Notice which is published annually on the school's website at least one week before the commencement of the admission process for the school year concerned.

This policy must be read in conjunction with the Annual Admission Notice for the school year concerned.

The application form for admission is available on the school's website to complete and submit electronically.

The school releases **3 Admission Notices Annually:**

2. Characteristic spirit and general objectives of the school

Holywell ETNS is under the Patronage of Educate Together and we are committed to the values laid down in Educate Together's Charter.

Educate Together schools are committed to the values laid down in Educate Together's Charter. Our schools are learner-centred, equality-based, co-educational and democratically-run. This means that all members of the school community, whatever their social, cultural or belief background, work together in an atmosphere of dignity and respect.

Students follow an Ethical Education curriculum, learning about morality and spirituality; equality and justice; belief systems and an ethical approach to the environment. It teaches students about different belief systems as well as atheism, agnosticism and humanism, without promoting any one worldview over another.

Our equality-based ethos informs all policies and practices in the daily life of the school. In exercising this policy making and decision-making responsibilities, the school's Board of Management upholds the characteristic spirit of the school.

Educate Together schools provide for equality of access in line with the Educate Together Charter and offers places to siblings enrolled in the school at the same time in the first instance.
